「コミック横濱」の巻にして、キーヤクとやらを収録していただいたハリエルの巻は面白かったです。子供の頃のハリエルはこんなだったんですよ。バジロウお田ちゃんをばう、ライオスには仲良かったからですよ、いろいろ遊ばせてくれたのですが、あんまり面白くないからストーリーが面白くない。フルートの巻も好きだから読ませてもらった。こんな感じ。」

みなさんの中でハリエルの子供の話を想像してみてくださいませんか。

ちょっと風変わりなオマケ (シリーズ化したよーな……)

実はオカリナは、最初主体を男の子まで女の子にしようか、男の子にしようか決めかねてました。(別に苦えてなかったわけじゃないですがー) 女の子にして、サイザーを仏から買って、ライエルとおマツクな三角関係を演じてみるのもいいかな? とか悩んだりして……でも、小島、頃からサイザーを買っていて、姉妹のような親友のような存在がいま、と想ってこうしました。今になったら男の子もよかったかな? とも考えてしまいます。

Entitled:
The Violinist of Hameln

①④

Composed and Directed by Watanabe Michiko

Violinist of Hameln Volume 13

So Commander Orgel has received orders from Bess and is now out to perform his duty!

Puze's back

Raisel told Sior about the past

Master Marlock's escape which Hamel could live a good life

A stranger appeared and he tried to tell her Hamel had destroyed the town of Arhen

He proved that Hamel was a liar! As a result Hamel was badly beaten and about to be hanged

Puze begged Sior to save Hamel

and then...

The stranger turned out to be Orgel, the Parliament's Clerk, in disguise! Once she realized who he was, the battle between Sior and Orgel began!

"When Hamel was a child, he destroyed a town, slaughtering innocent women and children without mercy!" These words were spoken by a stranger, but they became trapped inside Flute's mind and incited her to become suspicious of Hamel.

At the same time, Striker received a commission in the town and took Striker off to the side to tell her Hamel's past. He told how Hamel has a violin and oboe mother, named Pandora. She always wanted her son to have a good life, but the humans did not trust them, and instead they treated Hamel and his mother like demons and witches.

The story so far

For more, she went to see what happened.

The stranger that had spread the rumors about Hamel, also proved at Goren's Harbor that Hamel was a Magoku. Hamel was badly shaken by this and lifted the stranger up with one arm, this caused the panicked crowd to assault and they even prepared to hang Hamel. However, Oboe was able to identify the stranger's true identity in the flick of time. It was Hela...Orghel!

Hi Hi

Am I right?

Because he is a monster!

That was your reason!

Hipp Hipp Hurray! Happy birthday to us!

Can you believe it? One entire year has gone by, since we began. We have had some problems during this year, but everything seems fine now, since I got up my own server.

Thank you for the "Thank you" e-mails, we have received. And for those several e-mails in the beginning that basically said, "Please don't stop!", I hope you we have kept that promise to you, so far.

Let me thank the other members we had/have with us during this time.

Bakimaru, wherever you are, **Thank you**. **SmartM**, **shadow=wolf18** and **Angela**, for editing with us, **Thank you**. **Angela** is our new editor, so I would like you all to greet her much, as she is already working hard with some later chapters for you all. And a huge **Thanks** for **Bert** that have translated two volumes for us so far.

And about translations, we would if more would like to volunteer, to translate for us. Or so, at the moment, we have to stop at volume 27, when we reach it...

I also want to thank our biggest forum members **Sor**, **KiteKupo**, **Shiki** and **Mekamakaru Neko** for giving their words of wisdom.

And last but not least.... **Phetoma** want to celebrate this happy event, with once again giving me, **Gourry**, out for sexual favors. Anyone interested?

58 manga releases and 11 CD-rips in one year, and more to come this following year, enjoy!
